

Withdrawal Form

Date: _____

Parent Name(s): _____

Child Name(s): _____

This is a request to withdraw _____ from Kindermusik with Ocean Strings Studio. I realize that the balance of any tuition funds already submitted may either be credited towards a future semester I may join OR they may be donated towards a scholarship for another deserving child. However, if on a payment plan - from this point forward- any balance in tuition monies due will be waived. Access to the Kindermusik@home digital materials will still be accessible for use till the end of the current unit being taught upon which access will be suspended.

We are always trying our best to improve the quality of our programs. Will you please take a moment to share with us the reason(s) you wish to withdraw from Kindermusik classes?:
